Presenter: Wendell Miller

Wendell Miller has been the Administrative Program Manager of Neurological Services focusing on program development and marketing. Wendell manages three neurological rehabilitation programs for Paragon Management in Nassau (Emerge), Suffolk (Quantum) and Westchester (North Westchester) county.

Wendell has over 14 years' experience working with clients from a wide array of backgrounds. He specializes in solution focused therapy for his clients in individual counseling, couples counseling, relationship counseling, depression, anxiety, addiction/substance misuse, trauma, anger management, family support and LGBTQ+ related therapies.

Wendell has a Master's degree in Social Work from Stony Brook University, a Bachelor's degree in Social Welfare from Empire State College, and is recognized as a Certified Brain Injury Specialist Trainer (CBIST) through the Academy of Brain Injury.

Quantum's Neurological Rehabilitation Program is a sub-acute level of care in Middle Island NY with 20 dedicated beds and a length of stay up to 3 months.

All patients admitted to the program receive Individualized skilled Occupational, Physical, and Speech Therapy offered up to 7 days a week based on your individual needs and goals up to 3 hours a day. This program is designed to treat adults with CVAs, brain injuries, spinal cord injuries, Parkinson's disease and other neurological illnesses resulting in residual deficits and disability.
